Handling Charges at Ports &, Airports			
Port dues, wharfage, demurrage/storage, shipping line charges, container rentals, or any other charges will be paid at actual cost based upon presentation of an original receipt. These port and airport charges and fees are for costs outside of the control of the TSP and will be treated as material costs in a Time and Materials arrangement for this TOS line item.			
Sea & Air Freight charges (Export Shipping)			
TSPs are required to provide Sea Freight and Air Freight charges for following destinations. Please quote			
<u>Sea Freight Routings</u>			

Destinations	20FT Container	40FT Container	LCL/ cbm Rate
Sohar to Antwerp			
Sohar to Baltimore

Muscat to Washington DC			
Muscat to New York			
Muscat to Miami			
Muscat to Seattle			
Muscat to London			
Muscat to Bangkok			

Note: The TSP will be required to provide shipping rates for any other inland or international destinations/ports (which are not covered in above TOS Rate Sheet), in this regard, GSO Shipping will get quotes from TSPs on one- time-only (OTO) basis prior to packing. Along with invoice, the TSP will submit the paid receipt for freight charges obtained from the respective freight forwarder/shipping agent in order to get reimbursed. Export Shipping fees are for cost outside of the control of the TSP and will be treated as material costs in a Time and Materials arrangement for this TOS.
